Kincardine and Community Health Care

FOUNDATION

Through Community We Rise

Diane Baldwin, Foundation Coordinator

Winter 2010

Dear Friends,

It's that time again to sincerely wish you a very Merry Christmas and most Happy New Year "2011" from your Kincardine and Community Health Care Foundation members. It is that important time of year to share your giving and caring with family and friends. It is also a time where the Foundation can say thank you for your sharing and caring for your hospital here in Kincardine. Something that is very near and dear to all of us.

This has been an unprecedented year for the Foundation we have worked industriously to raise funds through your generosity to enable us to purchase a much needed replacement bone density machine, a big ticket item. We have also purchased other important medical equipment. Our participation in the South-Western Ontario CKNX Radiothon with 14 other Hospital Foundations was another success, we have had great support from local businesses and many individuals and conducted a lottery featuring a beautiful 2010 Ford Mustang convertible plus over 200 other cash prizes, early bird tickets and gift donations from local merchants.

Our Foundation objectives in raising funds are to keep our hospital equipment up to standards and thereby retain and maintain the services here. Our hats are off to the Hospital Auxiliary who have their fund raising projects and also purchase equipment through the Foundation for our hospital. They do a wonderful job and much of the time it is unheralded so herein duly noted and appreciated.

I am now in the second year of my 2 year term as President and am truly proud of the dedication and commitment the Foundation members bring to the Hospital day in and out. The members live in both the Municipalities of Kincardine and Huron-Kinloss and appreciate the support of all our communities because without it we could not accomplish the equipment needs otherwise local services may be lost.

As we view and plan the future there is a real possibility that the Phase I of the hospital expansion could take place as it has passed the early stages of Government approval. This will require a united community effort to raise our portion of the funds needed. The Foundation is taking preliminary steps in preparation of same and doing some homework in anticipation of a green light in the next year or two.

In closing I need to mention the significant contribution by our Foundation team: Our Coordinator Diane Baldwin who championed the Lottery idea and quarterbacked it with big assists to Dianne MacArthur and Mary Hall. The experience and counsel from Bob Lajoie and Past President Jennifer Cook were and are extremely valuable. The research efforts of Jim Bagshaw plus the tireless efforts Brenda Bateman, Norie Dickson, Lois Hackett and Kaye MacDonald in all facets of fund-raising were super. Our newly elected Vice-President Jack Nancekivell whose advice and marketing efforts were an invaluable resource and now will have big shoes to fill and we know will do so competently as we said good-bye to Mike Watt who left the community to be closer to family in Whitby. We will miss his solid and faithful contribution to the Foundation.

The dictionary defines volunteer as a person who comes forward with offer of service at need. I am most proud of our team and know our efforts are because of you our community and all our medical and hospital staff.

May God bless you and keep you healthy throughout 2011.

Gregg McClelland, President

Raised \$325.00+

Thank you for Participating in our *2nd* Annual Christmas Tree Ornament Campaign

We are offering patients, families, friends, businesses – everyone and anyone; an opportunity to participate in our “**2nd Annual Christmas Tree Ornament Campaign**”. With your donations, you help our health care professionals provide a full spectrum of specialized patient care with the most up to date sophisticated medical equipment.

You have the opportunity to purchase a tree ornament in memory of a loved one or friend, a sign of gratitude to a special person, or just as a sign of goodwill. You can write whatever you want on the card... **Miss you Mom ... Wish you were still here Dad ... In Memory of... In Honor of... Merry Christmas from ... You can even personalize it with a photo!**

We will recognize you, or whomever you decide to commemorate, with an ornament on our **Christmas Tree** and a listing in our **Christmas Tribute Book**. The Trees will be displayed at two different locations: the main foyer of the Kincardine Hospital and the storefront of Bruce Telecom. All you have to do is fill out the enclosed **Tribute Card**, and return it in the envelope with your donation, and we do the rest! You can also phone or come in the Foundation Office and donate by Visa or MasterCard.

The Foundation wishes to send out a special thank you to **Home Hardware** and **Canadian Tire** for donating the Christmas trees for our campaign and to **Bruce Telecom** for allowing us to use their storefront window for our display.

You as a community are the heart to our Foundation. Without your help, we could not exist. On behalf of all of the staff, volunteers and patients at our hospitals and anybody who may require health care in the future, the Foundation offers its own sincere gratitude for your generosity. We couldn't do it without you!

Thank you for supporting your local Hospital!

Christmas Tribute Card

Wishing you a Safe and Happy Holiday ...
