

President's Message

2017 has been an extremely busy and exciting year for the Kincardine and Community Healthcare Foundation with several projects underway.

Many very successful events were held during the year. We continued hosting 50/50 draws at the Kincardine Cruise Nights during the summer, a raffle draw for a beautiful handcrafted piper/carving book, the Bruce Power Charity Golf Tournament and our Christmas tree campaign. We were extremely pleased with the results of our third annual "Bringing it Home" Radiothon held at Trillium Court and were thankful for all the support received to raise \$75,000 towards new Diagnostic Imaging Equipment. Sincere thanks and appreciation to myFM, Bruce Telecom, Kincardine Lions Club and Trillium Court for hosting this event, as well as the many volunteers, service clubs, businesses and groups that contributed that day. We especially wish to thank our community for their support and donations. We are already making plans for next year.

The Kincardine and Community Healthcare Foundation's mission is the commitment to the preservation and improvement of services at the Kincardine site through the administration of funds received through various activities, functions and gratuitous gifts.

Funds are held in trust and are invested to meet the future healthcare needs of the community. We continue to support the requests for state of the art medical equipment needed to provide exceptional patient care in our community.

The Foundation has committed to purchasing state of the art diagnostic imaging equipment over the next two years totalling over \$450,000. In addition, we are continuing to work with the Hospital as we plan for the multi-million dollar redevelopment project recently announced over the next several years.

We wish to extend our sincere thanks and appreciation to everyone who has donated and supported the Foundation. Diane Baldwin, the Foundation Coordinator, works tirelessly to make sure the operations of the Foundation and fundraising events run efficiently. If you have any questions about the Foundation, don't hesitate to contact her or stop in at the Hospital to see her.

Finally, on behalf of the Directors and members of the Kincardine & Community Healthcare Foundation, we wish you a wonderful holiday season and a Happy New Year.

SBGHC
Kincardine Site

The generous support we receive from our community helps us continue to bring the highest quality medical care to the Kincardine Hospital.

Your Support makes a Difference!

Radiothon

Thank you to EVERYONE who helped make our 3rd Annual Radiothon a huge success! We had such wonderful support from the community. We

are so grateful to have a community that is working toward the same goal as we are – keeping our local Hospital current and vibrant in order to best serve the medical needs of our community.

Because of your wonderful community support we reached our goal of \$75,000 on the 'day of' and the proceeds will be applied towards the purchase of a state of the art Digital X-Ray Machine (\$800,000 including the extensive renovations that are needed) for our Digital Imaging Department. This amazing accomplishment could not have been done without YOU and WETHANKYOU!

We are looking forward to our "4th Kincardine Community Radiothon" with our wonderful sponsors myFM, Bruce Telecom and the Kincardine Lions Club at Trillium Court next year on Sept 21st, 2018. We hope you will attend!

Cruise Night

Another year of successful Cruise Nights brought many area residents and tourists to support our 50/50 draw. Thanks to our faithful supporters we raised \$4,160 for the Foundation.

Lucky Winners of the 2017 Cruise Night were:

Raffle Draw

Thank you to Eldon and his wife Carol Humphrey for their donation to our raffle draw of a beautifully carved piper and book. The Foundation was able to raise over \$1,800 for our

Christmas Ornament Campaign

It wouldn't seem like Christmas as you enter the hospital doors without our beautiful tree decorated by your generous donations. The ornaments hanging from its branches raised \$34,670.00 and brightened the entrance during the holiday season.

It was a very Merry Christmas again for our ninth year of decorating a tree in the entrance to the Hospital. The festive tree adorned with tribute cards welcomed patients and visitors to the Hospital. Thank you! Thank you! Thank you! Thank you!

Did you know?

Did you know that the bulk of the responsibility for all new, updated or replacements of medical equipment falls to our Hospital Foundation?

Did you know that the Government does NOT fund ANY medical equipment in our Hospital?

Did you know that without your continued support, we would not have been able to purchase MILLIONS of dollars' worth of medical equipment for our Kincardine Hospital over the years?

In order to keep our Hospital up to date with today's technology, we need to constantly raise funds. Unfortunately, the Ministry does not fund Hospitals to help acquire medical equipment.

You as a community are the heart of our Foundation! Without you, we would not exist. When you donate, you are contributing to better health care in your community and any contribution to the Foundation is an investment in you and your community's health. On behalf of all of the staff, volunteers and patients at our Hospital and anybody who may require healthcare in the future, the Foundation offers its own sincere gratitude for your continued support.

And now you know...

Wow!!

Because of your generosity, we have raised \$248,000 through our Christmas Ornament Campaign and we thank you for your continued support!

The tribute cards that are attached to an ornament are read by hundreds of people (including staff, patients, volunteers and visitors).

We need ALL of the services offered in the Kincardine Hospital to STAY at our Hospital. Our lives can literally change in a heartbeat and we are very fortunate to have a hospital in Kincardine. Our goal is to raise money to enable the hospital to continue to provide the very best care for you and your family if you ever need it. This is the second year the proceeds from our Christmas Campaign will go towards the purchase of state-of-the-art X- Ray Equipment (\$450,000) desperately needed at the Kincardine Hospital.

You have the opportunity to purchase a tree ornament in memory of a loved one or friend, as a sign of gratitude to someone special, or just as a sign of goodwill. You can write whatever you want on the card ... You can even personalize it with a photo!

We will recognize you, or whomever you decide to commemorate, with an ornament on our Christmas Tree along with a listing in our Christmas Tribute Book in the main foyer of the Kincardine Hospital. All you have to do is fill out the enclosed Tribute Card and return it with your donation, and we do the rest! You can also call or drop in the Foundation office and donate by Visa or Master Card.

Without your continued support, we would not exist. You as a community are the heart of our Foundation! On behalf of all of the staff, volunteers and patients at our hospitals and anybody who may require health care in the future, the Foundation offers its own sincere gratitude for your generosity. We couldn't do it without you!

On behalf of the Kincardine and Community Health Care Foundation, we wish you happy and healthy season's greetings.

Each precious day is a gift.... don't miss the beauty that each day has to offer...
