KINCARDINE AND COMMUNITY

**Health Care**  
R A D I O T H O N 

*To Our Caring Donors,*

The time of year has rolled around again when we hold our annual Radiothon which would be September 17th. Thanks to the support of our generous community and myFM we have been able to provide this much used equipment for the Kincardine Hospital over the past six years – Point of Care Hematology Analyzer, Coagulation Analyzer, Blood Bank Fridge, 4 Cardiac Monitors / Defibrillators and Pacers and IV Pumps.

*This year's donations will be put towards our new ultra sound machine (\$194,000) to further support SBGHC's Cardiology program at the Kincardine hospital increasing capacity to approximately 2,700 exams per year in Kincardine.*

We are all working hard to get through this Covid 19 Pandemic together so we have decided the safest way to proceed this year is through a mail out and we are hoping that you will see fit to support our efforts to keep our Kincardine Hospital viable.

We recognize the great challenges our Front Line Workers have faced over the past few months and the great efforts they have made to keep us safe and healthy. It is our job to provide the equipment they need to fulfill their work and so we are reaching out to you to provide us with the funds to purchase this important equipment.

Thank you for your past generosity and continued support. We look forward to being able to return to our fun filled Radiothon in the future and once again meeting face to face.

With Appreciation,

*Diane Baldwin*

Diane Baldwin – Foundation Coordinator
